

Socially-Mixed Housing - Goals

Naomi Carmon, 2007

Socially-Mixed Housing: Current Goals

Social Goals

Alleviate poverty / Increase Equality of Opportunities

- Provide good affordable housing in a good environment
- Provide good social services, for adults and children
- Enhance social capital
- Provide role models to encourage mobility and prevent deviate behavior

Promote social values

- Inter-ethnic tolerance
- Social cohesion, neighborliness

Urban/Economic Goals

- Revitalize deteriorated areas: Status, property values
- Deconcentrate poverty areas to reduce their disfunctions
- Recruit private investments for urban purposes
